time sense gone --watch stops varously--every time it assumes is
really that time--events confirm, tiv shows etc/some degree of instant replay
your argu as to automat mech watch vs quartz +weather, atmopherics affec
thngs initially--black night and then revert to eye smash wed at church where
he's gaga spectator~~~~~~~~~~~~

people waiting for bus change as light abrubtly changes and bus
is now lit etc. shop windows

aburbt hchanges with no trans, thus day to night etc
